

## **Prayer of Intercession for Mass**

### **4th November 2007 – 31st Sunday in Ordinary Time**

For young people: We pray for all young people, that like Zacchaeus, no matter how 'small' they feel, may receive Jesus with joy and readily serve others with heartfelt compassion and love.

### **11th November 2007 – 32nd Sunday in Ordinary Time**

For young people: We pray that young people, in times of suffering and persecution, may draw strength and encouragement from the support and prayers of family and parish community members, and thus win souls by uniting their suffering to Christ.

### **18th November 2007 – 33rd Sunday in Ordinary Time**

For young people: We pray for all young people, that through perseverance and faithfulness to daily tasks, young people may bear witness to the power of God at work in their lives.

### **25th November 2007 – Christ the King**

For young people: We pray that young people recognise the kingship of Jesus Christ, imitate His love and forgiveness poured out on the Cross, and make Him King of their lives.
