

Prayer Focus

In February, we ask you to intercede for the WYD08 Pilgrim Group leaders and Youth Ministry leaders across the nation; that the Holy Spirit may lead, strengthen and bless their efforts in bringing young people closer to Christ. We pray that youth groups may be a source of spiritual nourishment and formation, especially in their preparations for WYD08.

Prayer Focus

Lord Jesus, we pray for leaders of young people.
May the gifts and talents you have given them
be a source of inspiration and encouragement,
for the young people they minister to.

Holy Spirit, enlighten them with a spirit of wisdom and knowledge,
a spirit of understanding and counsel,
a spirit of courage, reverence and awe.
Strengthen their faith, anoint them to discern Your Will.
Help them to be instruments of peace,
guide them in Your truth.

Heavenly Mother, intercede for these leaders
who so lovingly give their time and effort
to continue your Son's mission.
Be with them always.

Amen
